Dr. Steve Flores, Superintendent
Round Rock Independent School District
1311 Round Rock Ave.
Round Rock, TX, 78681

Dear Dr. Flores:

The Round Rock Police Department and Round Rock Independent School District have long enjoyed the mutual benefits of operating a School Resource Officer program within the school system. Over time, the program has grown to the point where its staffing is nearly 10 percent of the entire police force. There comes a point, as we've discussed, when a school district grows large enough that its needs may be better served by operating its own police department. This letter provides you and the school district with formal notice that the Round Rock Police Department will on May 31, 2021, conclude its participation in the interlocal agreement approved as Resolution No. R-13-09-12-H6 by Round Rock City Council on September 12, 2013. If you determine that this transition should occur earlier, the interlocal agreement does provide for earlier termination.

We recognize that ending this program poses a major undertaking for the Round Rock Independent School District. We are providing several years' notice to demonstrate our commitment to helping you plan for that future. I look forward, during the next four years, to assisting you and your staff to develop an effective and efficient transition to an RRISD police department, as well as establishing a solid working relationship with the members of the department that the school district builds.

Please don't hesitate to reach out to me or members of my staff if you have any questions.

Sincerely,
