

Good morning Sgt. Chavez,

I wanted to let you know about the tremendous job that Ofc. Rask is doing at Hernandez Middle School. I stopped in today unannounced to drop off his red instructor shirt. When I entered the building, the front desk staff spoke glowingly about him.

I then went to his office and found the door wide open and Ofc. Rask was inside with three students in his office. They had great interaction with Ofc. Rask and had clearly been there before and were comfortable. While having a conversation with Ofc. Rask in his office, numerous kids stopped by outside the door and exchanged pleasantries with Ofc. Rask.

When I departed the school, it was during a passing period. When the bell rang, Ofc. Rask moved our conversation to the hallway on his own volition. I cannot tell you how many kids came up to Ofc. Rask during that time. What impressed me most was how many of these children's names Ofc. Rask knew! He called each of them by name and knew something about them. I cannot understate how impressed I was with Ofc. Rask and his commitment to our vision.
